

We believe that, after meticulous preparation, a big part of passing an exam is psychological – that is, believing in yourself. That's why these workshops serve as an additional confidence injection where we guide you in smoothing out those last uncertainties. We go through previous exam papers together and answer any questions that you might have.

ARE THESE WORKSHOPS FOR ME?

- Yes, if you wrote either of the exams previously and were unsuccessful.
- Yes, if you previously prepared for the exams, but couldn't write.
- Yes, if you've already prepared for the exams, but are still unsure about the drafting of documents or have other questions.
- Yes, if you want to go through previous exam papers together in a group.
- Yes, if you want final confirmation that you are sufficiently prepared.

PS. Thorough preparation for the exam is required. However, if you haven't done the course in conveyancing or the course in notarial practice, but prepared independently, you are still welcome to attend the workshops.
