

Hi, I am Gawie le Roux and I'm here to help you pass your examinations. Along with my colleagues, Erinda Frantzen and Johan van Stade, I offer you the most comprehensive courses on the market, used with great success for many years in South Africa and Namibia.

BENEFITS OF OUR COURSES

- Different study methods to choose from – online lectures, recordings, or self-study.
- Notes are available in English and Afrikaans and serve as a handy manual for office use.
- More comprehensive than any other set of notes available for examination preparation, yet delightfully user-friendly – no other study material needed.
- Includes explanatory notes, practical examples and case studies that cover the prescribed syllabuses for the examinations, as well as model answers to the last three years' examination papers.
- Written for an audience with no exposure to a conveyancing practice and without prior knowledge of deeds.
- Notes are continuously updated and the latest amendments are provided (at an additional cost). Provided in loose-leaf format so that amendments can be added easily.
