

There is currently a big need for conveyancing secretaries! That's why we offer intensive theoretical and practical training which will lay the foundation for a successful career as conveyancing assistant.

Our level certificates are divided into two trajectories: A Transfers trajectory for those who work with deeds of transfer and a Bonds trajectory for those who work with the registration and cancellation of bonds. The Transfers trajectory offers more intensive training with both theoretical background and practical case studies, as well as two specialisation levels – one in Estate Transfers and the other in Bond Registrations.

TRANSFERS TRAJECTORY

- Level 1 - Deed of Transfer (Theory & Practical case study)
- Level 2 - Sectional Titles (Theory & Practical case study)

ADD-ONS FOR TRANSFERS

Level 1 & 2 Theory & Practical case study of the Transfers trajectory above are compulsory for these two optional certificates
Level 3 - Estate Transfers and/or Level 3 - Bond registrations & cancellations
